

Mohawk Trail Regional School District Welcomes Jay Mankita of Playful Engineers

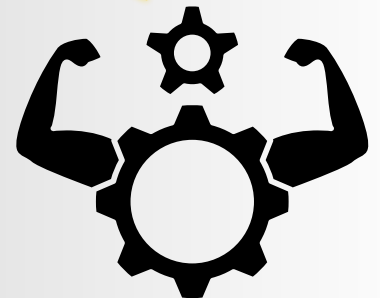

On Wednesday, October 30
from 3 p.m. to 7 p.m. during the
Mary Lyon Foundation Resource Fair,
Jay will host a free playful engineering
session for all attendees and, especially,
elementary school families.

Come to the Mohawk Trail Regional Cafeteria and:

- See the exciting chain reaction demonstration!
- Discover and explore the supplies, and start building your own chain reactions!
- Then go check out all the other great things at the Mary Lyon Foundation Resource Fair!

This is a
FREE
EVENT!

WE OFFER THANKS TO THE FOLLOWING

Talia Miller, Librarian at Colrain Central, for planning this event

Mary Lyon Foundation, for hosting the resource fair

Mass Cultural Council and local cultural councils, for funding

This program is supported in part by grants from the **Ashfield, Charlemont-Hawley, & Shelburne** Cultural Councils, local agencies, which are supported by the Mass Cultural Council, a state agency.
